INTRO TO WRESTLING

- Wrestling is a one-on-one sport in which athlete's use their strength, skills, techniques, and intellect to overcome their opponent to either score higher points or ultimately pin them before the match is over.
- Wrestling is unique in that although their wrestling match affects the overall team score, they are still competing against another opponent individually.
- Wrestling builds both team camaraderie as well as pride in themselves for their own accomplishments.

Marshfield Wrestling Club became a member of USA Wrestling in 2008. The enrollment fee you pay to us will include your membership as well. By utilizing USA Wrestling our coaches are certified with background checks for the safety of our wrestlers and peace of mind. Your wrestler and the MWC are also insured under their Sports Accident Insurance Program. With this card your child is entitled to compete at Regional's, State and National competitions.
